

## WELCOME TO MANCHESTER COMMITTEE

### MINUTES FROM MAY 17, 2023

In attendance: Christine Metrano-Barber, Hope Watt-Bucci, Melanie Dibiasio, and Leslie Beatty, chair

- I. The Minutes from our 3/20/23 meeting was approved unanimously.
- II. Hope provided us with the June 1, 2023 LBGQT+ flag-raising date, and we discussed our committee being present there, at a Fourth of July event, and on October 8, when the cardboard boat regatta will take place.
- III. Due to Melanie resigning soon from our committee, I suggested that we all think about who we might encourage to join our committee.
- IV. We tabled the idea of collecting for a raffle basket (or several) until we've agreed on the dates of the abovementioned events. In the meantime, Erika Brown donated 'Manchester Cricket' bags along with free 6-month subscriptions to hand out to our new residents as we see them at advertised events.
- V. New discussion topics:
  - a. Is everyone up to date with the ethics test and appointment status?
  - b. Has the New Resident list been updated/on Google Drive list?
  - c. Once we've decided on exact dates, we'll send notes to our new residents about the events above, and delegate duties.
- VI. Next meeting? TBD

Respectfully submitted by

Leslie Beatty
