The Waterline

Greetings Boaters,

Harbor Advisory Committee

Agendas and minutes for Harbor Advisory Committee meetings are now posted on the harbormaster portion of the town website. On the town home page click on departments and then harbormaster, on the left side of the page you will find several items of concern for waterfront users. Every effort will be made to keep things current and timely.

This Thursday's agenda will include discussion on additions and changes to the Waterway Rules & Regulations as well as initial discussion regarding the potential MASSPORT mooring offer.

Hours

The harbormaster will be out of the office Thursday November 15th. Feel free to contact the harbormaster by cell phone.

Dinghies

Anyone with a dinghy at a town owned slip or the ramp behind the police station and who has removed their boat for the season must remove their dinghy also. No dinghies may be stored on town owned slips or at town hall. Any dinghy not removed will be considered abandoned.

Please, feel free to contact me with any and all questions.

Stop by, say hi and don't forget your lifejacket! You can follow harbor happenings on the town website under Harbormaster or Facebook at Manchester Harbormaster Department, updated as often as is practical.
