The Committee met online in Zoom - Started at 4:04 PM

Members present: Cheryl Marshall, Sean Daly, Muffin Driscoll, Olga Hayes, and Karlee Blaisdell.

Minutes of week prior meeting held for review until April meeting.

Turf Field Replacement Update:

A letter to the selectman will be drafted. Waiting on newer data from GMAX test.

A need to clearly identify that the school has failed the field, in the lack of confidence about the schools maintenance to keep the fields safe for the kids.

Reaching out to youth soccer, since they have 'most feet on the field' for them to voice their concerns over the fields safety.

Pine Street Discussion:

No update yet.

Special Event Applications:

No special events to discuss.

Beach Sticker Roll Out:

So far so good, very little issues with the roll out.

Meeting ended at 4:41 pm

Next meeting: - April 4, 2022 @ 4 PM.

Minutes taker for the next meeting: Karlee Blaisdell
