

Parks and Recreations Committee
Monday, May 2 2022

The Committee met online in Zoom and in person room 7 Town Hall - Started at 4:03 PM
Members present: Cheryl Marshall, Sean Daly, Muffin Driscoll, Olga Hayes, and Karlee Blaisdell.

Minutes of month, April 2022, approved.

Turf Fields Replacement Update:

Brook Street Fields Closed due to GMAX was retested and passed. Temporarily fixed best they could. Letter drafted to send to Board of Selectmen. There is a coalition group that wants to discuss a timetable after collab meetings. Mike volunteered to be the parks and recreation member to be the voice of the town. Sign at Brook Street that says no dogs requested.

Pine Street update and schedule public meeting:

Passed CPC funding during town meeting. Waiting on con comm to review (due to changes already made it is a much smaller field now with a shifted parking lot) Potential group wants to see what else they can put on the lot. We want to only do this project right the first time so it doesn't need a ton of work done yearly for upkeep. Public forum meeting set to discuss park one May 23 at 7pm.

Pickleball Update:

All con comm permissions granted. Still waiting as of this meeting on pavement (should be completed by end of May) Looking at incorporating into some of our programing.

Special Events:

Festival by the sea — voted on and approved
Memorial Bench — Wendy Fraser and Bebe Aciavath - voted on and approved

CPC Open Account:

Ordering new signage for singing beach and parks (including no dog signs)
Bath house renovations
Rotunda renovations

School and Scoreboard:

Not to be replaced — to be discussed as part of collab meeting.

Meeting ended at 5:04 pm

Next meeting: - TBD.

Minutes taker for the next meeting: Karlee Blaisdell

Respectfully submitted by Karlee Blaisdell
