

Minutes from the Winthrop Field Committee meeting, June 11, 2022

Present: Chair, Mike Chapman, Sue Thorne, Gar Morse and Mike Carvalho

Absent: Matt Brzezinski, Tony Leggett and Jim Moroney

Mike called the meeting to order at 8:30 am

Minutes from the May 7, 2022 meeting were approved and will be filed with Town Clerk

The contract for field mowing is complete with work to be done after July 15 as weather and field conditions permit.

Mike has staked known and 2 abandoned manholes revealing water info and outflow activity. Once the field is mowed, work with Dash Drains will start. Ground water conditions on Matt's property show improvement.

The tree planted in honor of Bill Perkins by FOMT remains on Mike's property and there is no indication that FOMT is planning to correct the situation. We agreed that no donation was warranted at this time.

Mike will work on the annual report to the Board of Selectmen, likely to be submitted in July.

Tax payers approved the CPA grant of \$10,000 for field drainage work. Now, Gar will reach out to Welch and Forbes to request financial participation by them for the same amount. WFC is prepared to commit \$10,000 to this project as well. Total for work estimated at \$30,000

The next meeting is scheduled for July 16, 8:30 at the Jersey Lane Gate.

Meeting adjourned at 8:50 am

Respectfully submitted,

Sue Thorne
