

# Three *Easy* Steps to Curbside Composting in Manchester-by-the-Sea

**Step One:** Place organics into counter top container and/or in separate containers throughout house (for tissues in bathrooms, etc...).

**Step Two:** Dump contents of counter top collector into curbside bin as often as you'd like. To decrease the "yuck" factor line your bin with paper bags, newspaper, or BPI certified compostable bags available at Crosby's and Manchester Hardware. (Or simply rinse out after pick up.) Look for the following logo on liner bags:

**Step Three:** Bring curbside cart to the end of your driveway/curbside every week on your regular trash day.
